## 4th International Conference on Applied Linguistics and Language Education (ICALLE2023)

De La Salle University, Manila | October 19-21, 2023

[www.icalledeal.org](http://www.icalledeal.org)

### Conference Description

The **Department of English and Applied Linguistics** (DEAL), Br. Andrew Gonzalez FSC College of Education (BAGCED), De La Salle University, is pleased to announce the conduct of the 4th International Conference on Applied Linguistics and Language Education (**ICALLE 2023**) on October 19-21, 2023, at De La Salle University, Manila.

Following the success of past ICALLE conferences, ICALLE 2023 aims to bring similar questions to the fore by facilitating a dynamic discussion of the application of research in the many branches of linguistics to language education. It aims to strengthen in the language educator the interface between skill in the method and practice of language teaching and information about theoretical and methodological developments and issues concerning how languages such as English are learned and taught. ICALLE2023 will lead discussions on applied linguistics and language education, bringing together applied linguists, language educators across levels, and graduate and undergraduate students, who teach or are involved in the teaching of English or any other first or second language.

Intended as a triennial conference, ICALLE aims to sustain this exchange of ideas so that more research-based instructional practices could be explored and developed.

### Objectives

- To share findings of applied linguistic research and their implications for and applications to language education in different contexts across levels;
- To involve participants in discussions on innovations and current developments in research and teaching in the field; and
- To establish meaningful networks for possible collaborations in applied linguistics and language education.

### Scope

- A. Language and Culture
- B. World Englishes/Philippine English/Global Englishes
- C. Corpus Linguistics
- D. Discourse Analysis
- E. Sociolinguistics
- F. Psycholinguistics/SLA
- G. Forensic Linguistics

## **Call for Proposals** [Closed]

Proposals are invited for individual papers, workshops, colloquia, and posters. The deadline for proposal submission is 11:59 p.m. on July 15, 2023. Individuals may submit a maximum of one abstract as primary author (whether paper, colloquia, workshop, or poster), and one abstract as non-primary author. Template for the abstracts can be accessed here: [https://bit.ly/ICALLE2023\\_AbstractTemplate](https://bit.ly/ICALLE2023_AbstractTemplate)

**INDIVIDUAL PAPERS:** Everyone is invited to submit a 300-word abstract for parallel sessions. Papers are given 20-minute presentations and 10-minute Q&A. Detailed instructions on the submission guidelines can be found on the website.

**POSTERS:** Poster presentations are excellent venues for face-to-face discussions of research. They are especially effective for information that can be presented visually (e.g. charts, graphs, tables, diagrams). Specifications for the posters can be found on the website.

Submission link for individual papers and posters: <https://bit.ly/ICALLE2023abstract>

**COLLOQUIA:** Colloquia allow for extended discussion on a particular topic which can be achieved through the organization of individual presentations that revolve around the same area. Interested colloquium organizers are invited to submit a 300-word abstract for a two-hour block. Proposals for colloquia may include a minimum of 4 papers and a maximum of 6. The organizers have the freedom to run their own sessions (whether to have the all presentations first then the Q&A and the end or to have the Q&A after each presentation) The organizers are responsible for inviting individual papers for their topics and will liaise between the participants of the colloquium and conference program committee.

**WORKSHOPS:** Workshops provide venues for intensive group discussions in order to share skills or techniques on a certain topic. Interested proponents may submit a 300-word description of how the workshop will run and what it will particularly provide for prospective participants. Workshops may be given a 1.5 - 2 hours block.

For colloquia and workshops, please send your proposals as email attachment and send to: [icalle.deal@gmail.com](mailto:icalle.deal@gmail.com)
